WORK HISTORY

Web designer 09/2024 - 09/2024

Myself - Ipaja, Lagos

- My goal was to create a portfolio that not only highlights my technical abilities but also provides an engaging user experience.
- Translated design concepts into responsive and user-friendly web interfaces.
- Designed web pages to enhance branding and navigation.
- Stayed updated on design trends and emerging web technologies.
- Created custom website by harnessing HTML, CSS and JavaScript skills.

Front-End developer 02/2020 - 05/2024

PropertyCo - Ipaja, Lagos

- Improved web development plans to achieve client requirements within assigned time frames.
- Performed thorough testing and analysis to eliminate error and risk.
- Built site-specific interfaces for navigation, data management and e-commerce requirements.
- Developed and implemented architectures for web applications.
- Evaluated project specifications for technical feasibility, security risks and user experience concerns.

Full stack developer 06/2021 - 09/2021

Remkay Schools - Ipaja, Lagos

- Produced design renderings readily understood by technical and non-technical audiences.
- Demonstrated expert coding knowledge of JavaScript, SQL and Python.
- Performed thorough testing and analysis to eliminate error and risk.
- Used design expertise to create high-quality animations for diverse websites.
- Established project milestones and ensured I was well-prepared to meet deadlines.

IT specialist 01/2021 - Current

Remkay Schools - Ipaja, Lagos

- Carry out new hardware installations and updates, keeping systems functional and secure.
- Track computer system and network performance to identify root causes of issues.
- Conduct IT on boarding of new starters and IT off-boarding of leavers.
- Prepare equipment for staff use, installing cables, operating systems, and software.
- Diagnose, troubleshoot and resolve system issues to minimize user downtime.
- Assess and recommend technology innovations, assisting implementation to meet business objectives.
